

# Distribution of estimates

## Distribution of estimates

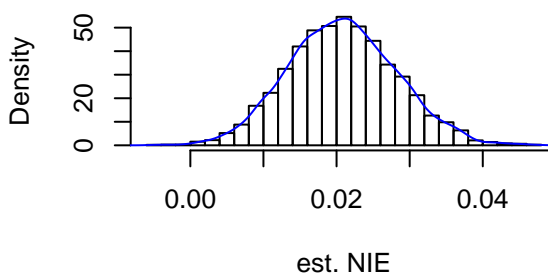

Distribution of estimates, probit models with missing interaction term:

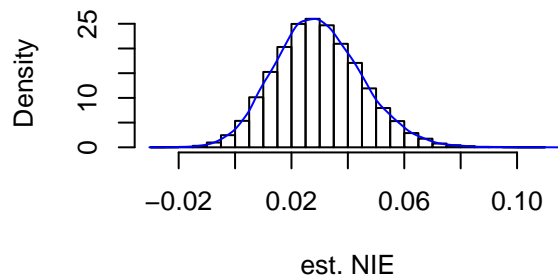

**NIE, true theta3 = 1, n=2000**

**NIE, true theta3 = -0.44, n=2000**

**NIE, true theta3 = 0.5, n=1000**

**NIE, true theta3 = -0.46, n=1000**
